

## Number of fulfilled projects at the cost of donor assistance

Name of a programme or a project	Information	Date of implementation
<p>1. Tempus project “Leading and Managing Change in Higher Education” (La MANCHE)  <a href="http://lamanche-tempus.eu/">http://lamanche-tempus.eu/</a></p>	<p>Coordinator - International University College (Bulgaria)            La MANCHE is a multinational cooperative project with priority to reform the university management. The project aim is to identify existing leadership skills and managerial models in higher education institutions of partner countries, to conduct an analysis of effective methods of cooperation with changes that contribute to modernization, to introduce a system of effective management changes of European universities into partner countries’ universities, to create transformational leadership potential of senior management in partner countries’ universities, to promote transnational cooperation and joint problem solving among experts, managers of partner countries and other interested parties in higher education as well as to activate leadership initiatives among students, to develop and support a context-sensitive strategy for managing changes that contribute to modernization of higher education in partner countries.</p>	<p>2012-2015</p>
<p>2. Tempus Project “Modernization of Postgraduate Studies on Security and Resilience for Human and Industry Related Domains” (SEREIN)  <a href="https://serein.eu.org/">https://serein.eu.org/</a>  <a href="http://serein.turion.info/">http://serein.turion.info/</a></p>	<p>The project aim was to develop modern theoretical and practical-oriented courses for training masters and postgraduate students, as well as raising the qualification of specialists. Future programs will cover several fields where security plays a crucial role: telecommunications, banking, aviation and space exploration, energy, and transportation. Participants received financial and expert support from the European Union.</p>	<p>2013-2016</p>
<p>3. Erasmus Mundus Project “Humanities Education Revitalized via Mundus Experiences” (HERMES)  <a href="http://www.erasmusmundus-hermes.uoa.gr/">http://www.erasmusmundus-hermes.uoa.gr/</a></p>	<p>Coordinator: National and Kapodistrian University of Athens.            The project was aimed at enhancing international cooperation, increasing mobility among students, teachers and scientists, developing international contacts of universities by providing grants for training / internships. Within the project, two staff members participated in mobility programs in Bulgaria, Austria,</p>	<p>2013-2016</p>

	China, Finland, Germany.	
<p>4. Tempus Project “Fostering the Knowledge Triangle in Belarus, Ukraine and Moldova”</p> <p><a href="http://erasmusplus.org.ua/en/projects/tempus-iv/922-fostering-the-knowledge-triangle-in-belarus-ukraine-and-moldova.html">http://erasmusplus.org.ua/en/projects/tempus-iv/922-fostering-the-knowledge-triangle-in-belarus-ukraine-and-moldova.html</a></p>	<p>Coordinator University of Paderborn (Germany)</p> <p>Tasks:</p> <p>The formation of a knowledge system among the heads of higher educational institutions of Belarus, Moldova and Ukraine on modern approaches to the organization and management of the knowledge triangle.</p> <p>Detailed analysis of the conditions that impede the process of effective integration of higher education, research and innovation in partner countries.</p> <p>Development of methods to ensure the long-term use of project results and support the knowledge triangle of Belarus, Moldova and Ukraine.</p> <p>Initiation of national processes of creating a legal framework to accelerate the integration of higher education, research and innovation in Belarus, Moldova and Ukraine.</p> <p>Within the project several coordination meetings and seminars were held with the participation of the international projects and programs department staff. A grant for equipment amounting to EUR 4050 was received.</p>	2013-2017
<p>5. “Community-Based Approach to Local Development” Project</p> <p><a href="https://snu.edu.ua/?p=3249">https://snu.edu.ua/?p=3249</a></p> <p><a href="https://snu.edu.ua/?page_id=7287">https://snu.edu.ua/?page_id=7287</a></p>	<p>Grantor: EU / UNDP</p> <p>Opening of the Sustainable Development Resource Center. The purpose of the Resource Center is to promote sustainable development programs and projects, as well as to enhance the University's research activities in this field.</p>	2016
<p>6. “Ukraine Higher Education Leadership Development” Program</p> <p><a href="https://snu.edu.ua/?p=7705">https://snu.edu.ua/?p=7705</a></p> <p><a href="https://snu.edu.ua/?p=8592">https://snu.edu.ua/?p=8592</a></p>	<p>Grantor: British Council in Ukraine</p> <p>The aim is to promote the reform of higher education by developing leadership potential of Ukrainian universities.</p> <p>The Program helped to achieve the following results:</p> <ul style="list-style-type: none"> <li>▪ A national network of “Agents of change” has been created - professionals ready to implement innovative changes in their higher education institutions</li> <li>▪ The team of Volodymyr Dahl East Ukrainian National University visited the University of Cambridge</li> <li>▪ Mechanisms have been implemented for disseminating, collaborating and sharing positive practice</li> </ul>	2016-2017

	<p>in developing the leadership potential of universities</p> <ul style="list-style-type: none"> <li>▪ Effective application of the leadership potential of Agents of change in the system of higher education or an institution by determining their status and improving indicators of the University achievement</li> <li>▪ A clear understanding of the universities' role and responsibility in the context of expanded autonomy through updating universities' strategies.</li> </ul>	
<p>7. "Internationalizing Higher Education"  <a href="https://snu.edu.ua/?p=6750">https://snu.edu.ua/?p=6750</a></p>	<p>Grantor: British Council in Ukraine  The aim is to provide grant for study visits to the United Kingdom (Leeds University) for the staff of the department of railway, road transport, lifting and transport machines in order to study and agree on the goals of further cooperation.</p>	09.03.16- 31.01.17
<p>8. "Renewing of function evacuated from Luhansk to Severodonetsk Volodymyr Dahl East Ukrainian National University  <a href="https://snu.edu.ua/?page_id=151">https://snu.edu.ua/?page_id=151</a></p>	<p>Grantor: The European Union, represented by the European Commission  The aim is to provide a grant of EUR 529500 to finance the project of renewing of the University function.  The project was aimed at ensuring conditions of functioning of the largest Donbass University - Volodymyr Dahl East Ukrainian National University in the other city. The project allowed providing normal living conditions for the internally displaced students and staff. Some faculties carried out educational activities online, using special equipment and software.</p>	2015-2016
<p>9. "Reviving learning: Assistance to displaced Luhansk university EUNU"  <a href="https://snu.edu.ua/?p=4319">https://snu.edu.ua/?p=4319</a></p>	<p>Grantor: United States Agency for International Development (USAID)  Providing two key faculties of the University with new office and IT equipment, furniture and textbooks by providing a grant in the amount of UAH 790,170, which helped to renew the university's ability to provide high-quality education to the Ukrainian youth in Luhansk oblast.</p>	2015-2016
<p>10. Program Erasmus + KA2: "Internet of Things: Emerging Curriculum for Industry and Human Applications"  <a href="http://aliot.turion.info/">http://aliot.turion.info/</a></p>	<p>Coordinator: Newcastle University (UK).  Coordinator from Ukraine: National Aerospace University "Kharkiv Aviation Institute".  The main objectives of the project were:</p> <ul style="list-style-type: none"> <li>• to ensure the dynamic development of ongoing research and development for new IoT applications;</li> </ul>	2016-2019

	<ul style="list-style-type: none"> <li>• to solve the main problems associated with the integration of low power devices with particular attention to real-life needs at local and global levels;</li> <li>• to demonstrate the possibility of the proposed solutions;</li> <li>• to create international masters and doctoral programs on integration of storage and data processing technologies and the latest IoT paradigms.</li> </ul> <p>EUR 24,000 received in 2019 for the purchase of computer equipment for experiments</p>	
11. Program Erasmus + KA1 International Credit Mobility	<p>Partner: Silesian Technical University, Gliwice, Poland</p> <p>The program aims at organizing mutual exchange of students and staff.</p> <p>One student of the Institute of Economics and Science participated in the program in the spring semester of the 2018-2019 academic year.</p> <p>One student of the Faculty of Information Technology and Electronics participates in the program in the spring semester of the 2019-2020 academic year.</p>	2016-2021
12. “English Access Microscholarship” Program <a href="https://snu.edu.ua/?p=24300">https://snu.edu.ua/?p=24300</a> <a href="https://snu.edu.ua/?p=17140">https://snu.edu.ua/?p=17140</a> <a href="https://snu.edu.ua/?p=30882">https://snu.edu.ua/?p=30882</a> <a href="https://snu.edu.ua/?p=26225">https://snu.edu.ua/?p=26225</a>	<p>Grantor: US Embassy in Ukraine</p> <p>The Access program supports free extracurricular and intensive English classes with a total duration of 360 hours for socially vulnerable groups of 13-15-year-old children, including children from low-income families, children with special health needs, orphans and children without parental care, internally displaced children, etc. In 2019, one group of 21 students graduated. In 2018, another group of 21 students started learning.</p>	2017-2020
13. “UNESCO Chairs” Program (UNITWIN) at the Research Institute of Human Spiritual Development at the Department of Pedagogy <a href="http://www.unesco.org/en/university-twinning-and-networking/access-by-region/europe-and-north-america/ukraine/unesco-chair-on-spiritual-and-cultural-values-through-education-843/">http://www.unesco.org/en/university-twinning-and-networking/access-by-region/europe-and-north-america/ukraine/unesco-chair-on-spiritual-and-cultural-values-through-education-843/</a>	<p>The aim is to study the issues of education and upbringing as a spiritual connection of generations and cultures of different peoples of the world under conditions of world globalization processes; the interaction of human and national values in the cross-cultural environment; the education of a humanist, spiritual and moral person as a carrier of spiritual and cultural values.</p> <p>Holding conferences, symposia, seminars under the auspices of UNESCO.</p>	2009-дотепер
14. “English for Universities” <a href="https://snu.edu.ua/?p=28610">https://snu.edu.ua/?p=28610</a>	<p>Grantor: British Council in Ukraine</p> <p>The aim of the project is to contribute to the process of qualitative changes in the</p>	2016-2018

	<p>English language proficiency of both teachers and students of higher educational institutions of Ukraine, which will allow them to take a more active part in events at the international level.</p> <p>The objectives of the project are to contribute to the process of building sustainable capacity in the field of teaching English to improve the English language proficiency to B2/C1 according to CEFR, to promote implementation of the English language standards in higher educational institutions of Ukraine.</p> <p>Project results: 10 English teachers passed three stages of 38-hour English for Specific Purpose training courses and received British Council certificates, passed English test for teachers and received APTIS certificates, held a series of seminars and workshops for the University teachers, other educators, organized and held a scientific and practical student conference to discuss topical issues in the English language in May 2018, published a collective monograph “Language education in the XXI century: methodology, theory and practice” at the Department of foreign languages and professional communication.</p>	
<p>15. US Embassy Small Grants Program  <a href="https://snu.edu.ua/?p=28971">https://snu.edu.ua/?p=28971</a></p>	<p>Grantor: US Embassy in Ukraine</p> <p>A grant of USD 50,000 was received to create a Media Centre for youth initiatives, to purchase equipment and educational literature. The activities of the Media Centre are aimed at preparing a wide range of media events: presentation video and audio materials about student initiatives for their further posting on social networks and on the website; media support of youth cultural events and student projects Severodonetsk and in Luhansk oblast; publication of printing products.</p>	2018
<p>16. “Success starts here: career centres of universities in the Donbass” Program  <a href="https://snu.edu.ua/?p=27625">https://snu.edu.ua/?p=27625</a></p>	<p>Grantor: USAID</p> <p>A grant of USD 376,645 was received to create a Career Development Centre. The mission of the Career Development Centre is to develop favourable conditions and provide opportunities for professional self-realization of students, understanding and awareness of themselves in the chosen specialty and development in it.</p>	2018

<p>17. "Conflict Prevention and Peacebuilding" Program  <a href="https://snu.edu.ua/?p=27951">https://snu.edu.ua/?p=27951</a></p>	<p>Grantor: UN  A grant of UAH 720,000 for creation of the Green Lab multi-hub dialogue platform for active members of the society.  This is a creative space where initiative youth will be able to propose and implement their initiatives, where diverse events aimed at improving the life of students and the whole society will be held, where topical issues and problems of our time will be discussed.</p>	<p>2018</p>
<p>18. Joint Ukrainian-Polish research project "Research of the properties of a singular skeleton in a diffracted light field" with the support of the Ministry of Education and Science  <a href="https://snu.edu.ua/?p=25933">https://snu.edu.ua/?p=25933</a></p>	<p>Partner - Wroclaw Polytechnic Institute (Poland).  The project is aimed at obtaining and managing a set of phase singularities (singular skeleton) of the light field formed during diffraction of circular Kummer and Laguerre-Gaussian vortex beams, as well as to determine its sensitivity to small perturbations of diffraction conditions. It is supposed to use the obtained results for the development of the image reconstruction in a vortex microscope. Financing amounted to UAH 100,000 was received.</p>	<p>2018-2019</p>
<p>19. "Psychosocial support for children and adults affected by the conflict" Project  <a href="https://snu.edu.ua/?p=27418">https://snu.edu.ua/?p=27418</a></p>	<p>Grantor: Terre des Hommes  Received 400,000 UAH for the opening of Fabrication Laboratory - a small workshop equipped with digital production tools: 3D printer, laser and vinyl cutters, embroidery machine, etc. Using a variety of materials, such as wood, plastic, metal or cardboard, children can create simple or even complex projects.</p>	<p>2018</p>
<p>20. "EU Information Centres" Program  <a href="https://snu.edu.ua/?p=17349">https://snu.edu.ua/?p=17349</a></p>	<p>Information materials were received for the EU Information Centre at the University. The European Union will provide free publication of the EU institutions (hard or electronic copies), and the University will contribute, develop, study, research and disseminate information about the European Union.  A number of cultural and educational activities were held. In 2019, the Centre hosted two events: t2019 Euroschool (06.06-09.06.19) and the EU Career Days (08.06-09.06.19)  <a href="https://snu.edu.ua/?p=31638">https://snu.edu.ua/?p=31638</a></p>	<p>2018-2019</p>
<p>21. Joint Ukrainian-Lithuanian scientific project: "Development of high-tech methods of surface engineering</p>	<p>Partner - Vilnius Gediminas Technical University (Lithuania)  The project is aimed at developing the concept of new research based</p>	<p>2018-2019</p>

for highly loaded wheel-rail contact to ensure competitiveness, environmental friendliness and energy efficiency of rail transportation”	technological and technical solutions to improve the coupling characteristics of locomotive wheels with rails based on the use of economical and environmentally friendly methods - a rational method of influencing contacting surfaces in combination with various antifriction effects as applied to the peculiarities of railway transport operation. Financing amounted to UAH 100,000 was received.	
22. USAID Project “Economic support to Eastern Ukraine” in cooperation with the Danish engineering-consulting company BIIR Ukraine <a href="https://snu.edu.ua/?p=33319">https://snu.edu.ua/?p=33319</a>	Conducting advanced training courses for engineering specialties staff. The Project also intends to strengthen and update the material and technical facilities for the preparation of future engineers.	2019-2020
23. USAID Project “Economic support of Eastern Ukraine” in cooperation with Schneider electric Ukraine <a href="https://snu.edu.ua/?p=32141">https://snu.edu.ua/?p=32141</a>	Creation of an electrical engineering laboratory on the basis of the University equipped with innovative devices of “Schneider electric Ukraine”.	2019-2020
24 USAID Project “Economic support of Eastern Ukraine” in cooperation with Lugansk regional state administration <a href="https://snu.edu.ua/?p=33929">https://snu.edu.ua/?p=33929</a>	Creation of a modern IT cluster school for innovative development of the region on the basis of the University.	2019-2022
25. USAID Project “Economic Resilience Activity” <a href="https://mon.gov.ua/ua/news/mo-n-razom-z-usaid-pracyuvatimut-nad-proyektom-z-rozvitku-infrastrukturi-u-troh-peremishenih-vishah">https://mon.gov.ua/ua/news/mo-n-razom-z-usaid-pracyuvatimut-nad-proyektom-z-rozvitku-infrastrukturi-u-troh-peremishenih-vishah</a>	In order to encourage industrial and engineering companies to interact with students of technical specialties, within the project, the University will change the approach to this field of education. There will be computer laboratories, high-quality software, and teachers will be prepared to work with these resources.	2019-2023
26. “EU Support for Displaced Educational Institutions in Eastern Ukraine” Project <a href="http://edreform.mon.gov.ua/projects?sid=7379&amp;lang=0">http://edreform.mon.gov.ua/projects?sid=7379&amp;lang=0</a>	Grantor: EU The project aim is to increase the attractiveness and competitiveness of displaced universities by enhancing their institutional capacity (improving efficiency and infrastructure), effective leadership, teaching and learning, internationalization. The project provides a grant of EUR 1,500,000 for the development of infrastructure, educational environment as well as for improving the working conditions of teachers and administration.	2020-2022
27. Council of Europe Project “Internal displacement in Ukraine: building solutions” <a href="https://www.coe.int/uk/web/kyiv/idps2-">https://www.coe.int/uk/web/kyiv/idps2-</a>	The project provides the implementation of the Council of Europe Programme on Human Rights Education for Legal Professionals (HELP); participation in the training for trainers	2019-2020

<a href="#">ukr#%2238403717%22:%22%2238403826%22:%22%2238403846%22:%22%22</a>	“HELP course on internal displacement: a training session for trainers” (May 22-23, 2019); work on the HELP platform; conducting trainings (February-May 2020)	
28. “Support for displaced universities of Ukraine” Project <a href="https://snu.edu.ua/?p=35952">https://snu.edu.ua/?p=35952</a>	Grantor: US Embassy in Ukraine The project provides participation of several representatives of each displaced university on an ongoing basis during the project implementation period from November 1, 2019 to September 30, 2020. During this time, with the help of Ukrainian and American experts in the field of higher education, representatives of displaced universities will work on the development of a vision and a strategic plan for the development of their institution. To achieve this goal, the Fulbright Program in Ukraine organizes four seminars during the project as well as several events between the seminars. These measures are designed to help project participants create effective strategic development plans for their institutions that best meet the needs of universities, students, employers and local communities in which these universities are located. The project will also provide the necessary material and technical support for the effective strategic planning and operation of displaced universities.	2019-2020
29. “Conflict Prevention and Peacebuilding” Program	Grantor: UN The program provides the creation of an “Electronic Legal Office” - an innovative online platform that will increase the awareness of the population about the possibility of obtaining legal support and counselling in remote settlements and rural areas on the demarcation line, in areas most affected by armed conflict in the East of Ukraine.	2019
30. “Conflict Prevention and Peacebuilding” Program <a href="https://snu.edu.ua/?p=35535">https://snu.edu.ua/?p=35535</a>	Grantor: UN Creating BlueLab dialogue platform-multihub thanks to a grant of UAH 592,535.	2019
